Dear Paul,

We would like to take this opportunity to thank you for your contribution to the Living and Learning Festival which took place on the 26th and 27th of March.

It was wonderful for our visitors to have the opportunity to view the children having lessons and listen to some music in the lovely space around the aquarium. The feedback from our children and visitors has been very positive, so we are grateful for the contribution you made to the success of our festival.

Thank you once again for your participation.

Kind regards,

Maggie Foster
Music Co-ordinator
